Oshawa, Ontario
L1G 3P3

Please remember that only members who have paid their 1977 dues will receive a ballot for our election to be held this summer.

ELECTION: Speaking of elections, have you submitted your nomination(s)? Norm has received a few but there should be more. Perhaps in forthcoming election years we may appoint a nominating committee a few months prior to the election to ferret out a number of candidates. All that is required to nominate someone is to have both the nominator and nominee sign a nomination form (or a plain piece of paper). Both must be current members of the CAWMC. Positions up for grabs are: President, Vice-President, Secretary-Treasurer, Editor, and five members to the Board of Governors. Please send your nominations to our Returning Officer:

WOODEN MONEY OF SASKATCHEWAN: Thanks to Cec Tannahill and Frank Harding for an 11 page detailed listing of Saskatchewan wood. We will attempt to print the entire list in Timber Talk as space permits. We will attach it to the back of the issues so you may wish to remove these pages and file separately (or keep them if you file Timber Talk, hopefully after you've read it, into file "13").

SILVER WOODEN CROWN: CAWMC member Walter Holda has issued a 2" Silver Wooden Crown commemorating the Silver Jubilee of Her Majesty Queen Elizabeth II. Although these pieces are issued in the U. S. Walter advises that they are being offered to Canadian collectors first. As only 200 were issued order yours early if you want one for your collection. Walt states: 1977 sees the 25th Anniversary of Queen Elizabeth II, according to the British throne. To commemorate this festive occasion, Mr. Woody has produced a SILVER WOODEN CROWN with a strict edition of 200 pieces. These will be available on a first come basis, and the asking price is \$1.00 postpaid. Each order will receive a personal HAND PAINTED Mr. Woody nickel at no extra cost. I understand that, if not completely delighted, I may return it (them) within 30 days for a full refund (to Mr. Woody). Again the cost is \$1.00 POSTPAID from:

WOODEN MONEY OF SASKATCHEWAN

Cecil C. Tannahill

with corrections and additions by Frank Harding

This listing contains all the pieces that were listed in my book and pieces that have come to my attention since then. All are listed here as I have now placed a number on each piece carrying on from the numbers ascribed to the tokens. However, in the wooden pieces no specific letter is given to a denomination as in the tokens.

Hopefully this will assist the collector but mainly it is for my records, as I am still supervising the Saskatchewan Provincial collection and with a set of cards at the Western Development Museum in Saskatoon and another set with me, this does make it easier in my correspondence.

As usual if any collector has any items that are not listed here, it would be greatly appreciated if you would let me know about them. (Please advise Frank Harding, Laura, Saskatchewan SOL 1X0) No attempt has been made to place a rarity on these pieces as I do feel that my research records are complete enough to do this at the present time.
